New Providers Join Staff of Community Health Center of Cape Cod

Mashpee – Three clinical providers have joined the staff at Community Health Center of Cape Cod.

Kathy Green, APRN, has joined the behavioral health department. She holds Bachelors and Masters Degrees in nursing and received her nurse practitioner training from Syracuse University. She is a board certified psychiatric clinical nurse specialist and psychiatric nurse practitioner. Before joining the Health Center, she worked at the Cape Cod Collaborative.

Christine Toulouse, PA-C is a physician assistant. She received her Bachelor of Science and physician assistant training at State University of New York at Stony Brook. Prior to the Health Center, she worked at Dartmouth Hitchcock in Bedford, NH in the neurology/sleep medicine and family practice/urgent care programs.

Jean Wishingstone, ANCC is a nurse practitioner. She obtained a Bachelor of Science in health education at University of Vermont and her Master of Science in nursing and nurse practitioner training at Massachusetts General Hospital Institute of Health Professions. She previously worked at Health Care for the Homeless in Portland, ME.

Community Health Center of Cape Cod is a non-profit Federally Qualified Health Center that provides access to health care for adults and children with MassHealth, Commonwealth Care, Medicare, private insurance, or no insurance at all. Services include primary and preventive care, dental care, behavioral health, coordinated case management, and prescription assistance, at locations in Bourne, Falmouth and Mashpee.
