Health Center Names Chief Medical Officer

Mashpee – David S. Tager, MD has joined the staff of Community Health Center of Cape Cod as Chief Medical Officer. In this role, he plans and directs all aspects of the Health Center's medical policies and programs and oversees the quality improvement process. He will also see patients.

Dr. Tager is a Phi Beta Kappa graduate of Cornell University and received his medical degree from New York University School of Medicine. He completed a residency in internal medicine at The Miriam Hospital – Brown University, in Providence, RI and a fellowship in gastroenterology at Lahey Clinic Medical Center in Burlington, MA. He is board certified in internal medicine and gastroenterology.

Prior to the Health Center, Dr. Tager was in private practice in Rutland, VT, where he also served as Medical Director of Eden Park Nursing Home.

Community Health Center of Cape Cod is a non-profit Federally Qualified Health Center that provides access to health care for adults and children with MassHealth, Commonwealth Care, Medicare, private insurance, or no insurance at all. Services include primary and preventive care, dental care, behavioral health, coordinated case management, and prescription assistance, at locations in Falmouth, Mashpee and Bourne.
