Clinical Providers Join Health Center Team

Mashpee – Community Health Center of Cape Cod has welcomed three new providers to its staff.

Robert Cohen, MD, is a board certified internist with many years of experience in private practice and in the US Army Medical Corp. He received his undergraduate degree from Union College in Schenectady, NY and his medical degree from the University of Pennsylvania School of Medicine. He completed his residency in internal medicine at Bronx Municipal Hospital Center, affiliated with Albert Einstein College of Medicine, and also completed a fellowship in pulmonary medicine. He moved to the Cape from Middlebury, Connecticut

Shane Peters, APRN-BC, is a family nurse practitioner. She received her undergraduate degree from Providence College, in Rhode Island and obtained a masters degree in nursing and nurse practitioner training at Regis College in Weston, Massachusetts. Prior to joining the Health Center, she was in private practice on Nantucket and also worked with the Nantucket AIDS Network.

Kenneth Terkelsen, MD, is a psychiatrist, who works with the Health Center's behavioral health service. He is a graduate of Georgetown University and received his medical degree from Jefferson Medical College of Thomas Jefferson University in Philadelphia. He completed a residency in psychiatry at Albert Einstein College of Medicine at Lincoln Hospital and a fellowship in social and community psychology at Albert Einstein College of Medicine at Bronx Psychiatric Center. Board certified in psychiatry, Dr. Terkelsen has many years of experience in private practice and in community settings on Cape Cod including Gosnold-Thorne Clinics, Cape Cod Human Services/Cape Cod Behavioral Healthcare and the Cape Cod and Islands Community Mental Health Center.

Community Health Center of Cape Cod is a non-profit Federally Qualified Health Center that provides access to health care for adults and children with MassHealth, Commonwealth Care, Medicare, private insurance, or no insurance at all. Services include primary and preventive care, behavioral health, coordinated case management, and prescription assistance, at locations in Falmouth and Mashpee.
