Melonie Kelly Named Clinical Services Director at Health Center

Mashpee – Melonie Kelly, a resident of East Falmouth, has been named Director of Clinical Services at Community Health Center of Cape Cod. In this role, she will be responsible for directing nursing services and case management. She will also review clinical operations to achieve improved integration of all the Health Center's services and efficiencies in operations and oversee the health center's new community health worker program.

Ms. Kelly has been with the organization since 2001 when it was the Falmouth Free Clinic. She started as a nursing student and nurse volunteer. She received her Associate's Degree in nursing from Cape Cod Community College and her Bachelor's Degree in nursing from the University of Massachusetts in Boston.

Community Health Center of Cape Cod is a non-profit Federally Qualified Health Center that provides access to health care for adults and children with MassHealth, Commonwealth Care, Medicare, private insurance, or no insurance at all. Services include primary and preventive care, dental care, behavioral health, coordinated case management, and prescription assistance, at locations in Falmouth and Mashpee.
